

JUBILEE RESERVE REDEVELOPMENT OPPORTUNITY

Have Your Say on this Draft Master Plan

Thank you to everyone who has shared feedback on the future of Jubilee Reserve so far. Your input has helped shape this draft Master Plan, which is now being presented for community feedback.

Jubilee Reserve is a valued community space used for sport, recreation and social connection. This stage of consultation is an opportunity to review the draft Master Plan and tell us whether it reflects what you value about the reserve.

Inside, you'll find a summary of what the draft Master Plan includes, the concept plan image, and details on how to provide feedback.

Have Your Say

Consultation is open until 12 July 2026.

WHAT THIS DRAFT MASTER PLAN PROPOSES

The draft Master Plan presents a vision for Jubilee Reserve that supports community recreation, summer and winter sports, and shared use.

This page summarises some of the key elements. The full plan is shown on the next page.

HAVE YOUR SAY

A dedicated senior soccer pitch with retractable fencing that can open for community use when not in use for games and training

Flexible sports fields remaining open for broader community recreation

Lighting upgrades across sports fields, tennis courts, bowling greens and croquet lawn

Lighting of the Bartley Terrace pedestrian tunnel to improve community safety

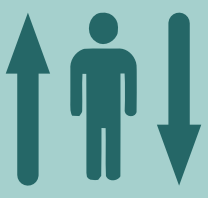

Shared use of the school oval for community sport, including lighting and storage

Improvements and expansion of Club West Lakes, including function spaces, changerooms, kitchen, bar, toilets and supporting amenities

Enhanced facilities, including storage, toilets and canteen improvements

Formalised overflow parking and improved wayfinding connections

DRAFT MASTER PLAN

The plan below shows how the proposed improvements could be arranged across Jubilee Reserve.

Further details, including summer and winter sport layouts, are available on Your Say Charles Sturt.

Site Key:

1. Improve entry to Club West Lakes
2. Improve wellbeing and create new plaza spaces around Club West Lakes
3. Enhance Club West Lakes building
4. Expand Club West Lakes amenities
5. New retractable fencing enabling community use when not required for games and training (location to be determined)
6. New lighting of tunnel under Bartley Terrace to improve access and safety
7. Emergency Access Point
8. Enhance existing facilities including additional toilets, storages, improved canteen facilities
9. Improve lighting to Sports Fields (location to be determined)
10. Review and improve traffic movement, safety and parking in the precinct
11. Overflow training / Warmup area
