

HAVE YOUR SAY ON WOODVILLE WEST

We're inviting residents, businesses and visitors to share their thoughts on transport, parking and open spaces in Woodville West. Your feedback will help us understand what's working well and where improvements could support a safer, more connected and enjoyable neighbourhood.

What we're exploring

- **Open Spaces and Places:** Parks, green spaces, amenities, playgrounds, dog parks and public art.
- **Safety:** How safe you feel moving around your streets – walking, riding or driving.
- **Accessibility:** Parking, access to facilities and how easy places are to use.
- **Movement and Transport:** How you get around and what would make walking, cycling or public transport easier.

Join us at a community drop-in session
