Question: Where have you noticed road safety concerns in St Clair?

We are interested in 3 categories of road safety:

1. **Unsafe driving behaviours** (speeding, tailgating, failing to give way, illegal turns)
2. **Walking safety concern** (difficulty crossing, near-misses, conflicts with vehicles)
3. **Cyclist safety concern** (cycling connectivity, difficulty crossing, near-misses, conflicts with vehicles)

Using the map and space around the map, tell us about your safety concern(s) and mark which category your concern(s) relate to (Category 1, 2 or 3). Repeat for each of your concerns.

Thank you for your feedback
