

Henley Area Dog Park Proposal

Feedback Form – OSR&P

The City of Charles Sturt is inviting your initial feedback on a proposed Henley Area Dog Park at our preferred location in Dean Whiteford Reserve, Henley Beach South (refer **enclosed** location map). Consultation **commences Monday 28 August 2023 and closes at 5.00pm Monday 25 September 2023.**

We would love to hear from you in **one** of the following ways:

- On-line via Council's website <https://www.yoursaycharlessturt.com.au/> or by scanning the QR code to the right via your smart device camera;

OR

- Complete this feedback form by using the enclosed reply-paid envelope.

Your details

Please provide your details should we need to contact you regarding your feedback*:

Name: _____
Salutation First Name Surname

Street Address: _____

Suburb: _____ State: _____ P/Code: _____

Email: _____

Phone: (Home): _____ (Mobile): _____

Please indicate your preferred delivery method to receive future communication about this project:

☐ Email address as listed above

☐ Hard copy to my listed postal address

Your feedback

1. Do you support the construction of a dog park to service the suburbs and residents in our Henley Ward area?

☐ Yes

☐ No

☐ I don't mind

1a. If no, please share why you feel this way?

2. After considering all of the possible locations in the area for suitability, we have assessed Dean Whiteford Reserve in Henley Beach South (below) as the preferred location for a number of factors. If construction of a dog park is approved, do you support this location?

- ☐ Yes
- ☐ No
- ☐ I don't have a location preference

2a. If yes, please share why you support this location?

2b. If no, please share why you don't support this location?

3. Are you currently a dog owner?

- ☐ Yes, I am
- ☐ Not currently, but I may be in the future
- ☐ No, I'm not

4. Would you visit a dog park at Dean Whiteford Reserve, if it was approved?

- ☐ Yes
- ☐ No
- ☐ Unsure

5. How would you describe the energy level of your dog?

- ☐ High energy or hyperactive (love to run, retrieve, herd & work)
- ☐ Medium energy (likes to play, chase, smell and explore)
- ☐ Low energy (slow & steady, gentle walks or play, easy going)

6. If you have more than one dog, please describe the energy level of your other dog/s?

High energy or hyperactive, medium energy or low energy:

7. How does your dog behave in social situations?

There is no wrong answer here, just be honest. Understanding your dog's behaviour will help to inform how a park could be best designed to accommodate different dogs. You can select as many behaviours that apply to your dog when meeting and playing with other dogs. We understand that not all dogs are suited to socialising in dog parks.

Please circle all that apply to your dog:

Friendly or polite / Relaxed / Playful / Independent / Anxious / Cautious or nervous / Boisterous / Flighty / Bullish or pushy / Highly excited / Aggressive / Inquisitive or curious / Protective

Other: _____

8. If you visit a dog park now, what is your favourite and why:

9. Feel free to share any other comments that you would like us to consider during the decision making process:

Thank you for taking the time to share your feedback with us.

Once all feedback has been received, it will be considered by the Asset Management Committee and a decision made on the future of the proposal. We will be in touch with you with the outcomes of the consultation and next steps.

Please refer to our YourSay website to be kept up to date on the progress of consultation and Council's project at <https://www.yoursaycharlessturt.com.au/>

The green outline demonstrates the boundary of Dean Whiteford Reserve. The blue rectangle demonstrates the area of the reserve being considered for the dog park. It is not representative of the size or boundary. This will be considered in the planning stage
