LET'S TALK PEDLAR STREET SURVEY FORM

Feedback closes Wednesday 16 December 2026

In August 2026, we heard from you about issues and opportunities along Pedlar Street. From your feedback we have now developed an active travel concept plan and are seeking your feedback.

Complete this hard copy form and return it via one of these methods:

- Post it to us in the reply-paid envelope
- Email a copy to engagement@charlessturt.sa.gov.au
- Drop off your completed form to - City of Charles Sturt, 72 Woodville Road, WOODVILLE

Your Details

By completing this form, you consent to the City of Charles Sturt collecting, retaining and using the personal information provided by you in line with Council's Privacy Policy.

Suburb: Required

Email (please provide your email address if you would like to be kept up to date on the project):

1. **What is your connection with Pedlar Street?**
   - ☐ I live on Pedlar Street
   - ☐ I am an owner of a property, but do not live there
   - ☐ I live in a street nearby
   - ☐ Other

2. **What elements of the plan are important to you? (select all those that are relevant)**
   - ☐ Shared use path between Sparrow Court and Frederick Road
   - ☐ Pedestrian priority crossings located at the intersections of Sparrow Court and Harold Street
   - ☐ Improved signage for cyclists
   - ☐ None of the above

3. **What future opportunities are important to you? (select all those that are relevant)**
   - ☐ Increased tree planting and landscaping
   - ☐ Water Sensitive Urban Design features (WSUD). This is a stormwater management approach
   - ☐ Improved lighting
   - ☐ Feasibility of signalised pedestrian and bicycle crossing at Tapleys Hill Road

Mobility hub

A mobility hub combines a range of transport uses which could include:

- Car/ride share facilities
- Vehicle charging points
- Bicycle facilities such as a bike repair station
- E-scooter hire
- Bicycle hire

The mobility hub proposed locations are near Pedlar Reserve and near Tapleys Hill Road (see exact locations on the concept plan).

4. If a mobility hub was installed, which of the following elements do you think would best support the local community? (select all those that are relevant)

- ☐ Bicycle facilities such as a bike repair station
- ☐ E-scooter hire
- ☐ Vehicle charging points for electric vehicles
- ☐ Car/ride share facilities
- ☐ Bicycle hire
- ☐ Unsure
- ☐ Other

_____

5. What is you level of support for the Pedlar Street Active Travel Concept Plan
