

MITTON AVENUE PEDESTRIAN AND TRAFFIC SAFETY IMPROVEMENTS HENLEY BEACH

We are taking a closer look at Mitton Avenue, Henley Beach, a busy and valued local street that connects homes, schools, the Western Hospital and local businesses.

The road assets are due for renewal, and with more people walking, driving and visiting the area, we're exploring ways to make Mitton Avenue safer, more accessible and vibrant.

About the project:

This project began following a budget bid from local Ward Councillor Kenzie Van Den Nieuwelaar, following feedback from residents about pedestrian and traffic safety concerns.

The businesses along Mitton Avenue are popular with locals and attract visitors. We want to ensure the street supports everyone who lives, works and spends time there.

What are we looking at?

We're collecting pedestrian and traffic data and seeking community feedback to help shape the vision for Mitton Avenue.
We're collecting pedestrian and traffic data and seeking community feedback to help shape the vision for Mitton Avenue.

Your input will help guide future improvements and funding priorities for:

- Safety, access and comfort for people walking, riding and using mobility aids
- Safety and access for people driving cars, buses and trucks
- Streetscape design, landscaping, outdoor dining, bicycle and car parking
- Improved climate resilience
- Night-time safety and lighting

What might change:

Some early ideas being explored include:

- A raised intersection at Mitton Avenue and Belfast Street to calm traffic and improve walkability
- Pedestrian crossings near Belfast and Margaret Streets
- Wider footpaths and improvements to crossing ramps
- Increased tree canopy, biodiversity and permeable surfaces
- Enhanced public spaces with art, seating and landscaping
- Adjustments to car parking and new bicycle parking

These ideas will be explored further once we hear from you!

How to share your feedback:

We would love to hear your ideas, experiences and suggestions for the future of Mitton Avenue. Tell us what is working well and what could be improved to make this local street even better.

You can:

- Come along to a **Community Pop-Up Session**, grab a complimentary coffee and chat with the project team
  Where: Luma Coffee Club, Mitton Ave Henley Beach
  When: Saturday 29 November 2025
  Drop-in anytime between 9.30 to 11am
- Visit **www.yoursaycharlessturt.com.au/mittonavenue** or scan the QR code to share your ideas
- Request a hard copy survey. Just reach out to us and we will send one to you.

Consultation closes 5pm, Wednesday 3 December 2025.

Together, we can shape the future of Mitton Avenue and create a safer, greener and more connected street for our community.

Next steps:

Following this stage of consultation, we will come back to you again in early 2026 with a concept design.
