

PENNINGTON LIVING STREETS & SINCLAIR SQUARE RESERVE AND PLAYGROUND SURVEY

Pennington Living Streets is about exploring how our local streets can better support everyday life, from getting around to spending time outdoors and connecting with neighbours. We want to hear what Pennington means to you, what you value about your streets, what we can be improved and how we can make Sinclair Square Reserve a great place to visit.

Share your experiences and ideas to help us understand what matters most to the community.
