PROPOSED 40 KM/H AREA SPEED LIMIT

We're proposing a 40 km/h speed limit on local streets in Athol Park and Woodville North.

Lower speeds can help create safer and calmer local streets for people walking, riding and driving.

Lower speeds give drivers more time to react and can reduce the likelihood and severity of crashes.

Before anything changes, we want to hear what you think.

Tell us what you think about the proposed 40 km/h speed limit.

Have your say on the proposed 40 km/h area by 26 November 2026.
