# FINDON IMPROVEMENTS
# RESERVE UPGRADE AND PROPOSED WOMBAT CROSSING

We're delivering a range of improvements in Findon to support the local community and enhance how people use and move through the area.

This update includes works that are already confirmed, as well as a proposed improvement where we're seeking your feedback.

## Ray Street Reserve Upgrade

We will be upgrading Ray Street Reserve in Findon to better support the growing number of people using the space.

These works are confirmed and will proceed.

### What's happening?

Improvements at the southern end of the reserve will include:

- New shelter and paving
- New seating
- New BBQ
- Landscaping and irrigation around the shelter
- New lighting within the shelter

The shelter lighting will:

- Improve visibility and safety
- Be low-glare and directed under the shelter only
- Operate from dusk to dawn (with adjustable timing if needed)

A new drinking fountain will also be installed at the northern end of the reserve, aligned with existing underground infrastructure.

A concept plan is included with this flyer for your reference.

### Construction timing:

Works are scheduled to begin in late April and are expected to be completed by the end of June 2026.

Works will be undertaken between 7am and 4pm, Monday to Friday.

Temporary fencing may be installed around the work area during construction.

# Share your Feedback

## Proposed Wombat Crossing

We have heard community feedback about safety concerns when crossing near the bend at Rondo Avenue and Winona Street.

In response, we are proposing a Raised Pedestrian Crossing (Wombat Crossing) at this location.

The proposed crossing would:

- Help reduce vehicle speeds
- Improve visibility between drivers and pedestrians
- Provide a safer and more reliable connection to the shopping centre and Ray Street Reserve

We are seeking community feedback on this proposal to install a Raised Pedestrian Crossing (Wombat Crossing).

Following consultation, we will review all feedback and share outcomes and next steps on Your Say Charles Sturt. Follow the page the stay informed.

## You can share your feedback by:

- **Completing the online form:** yoursaycharlessturt.com.au/rondowombatcrossing or scanning the QR code shown below.
- **Emailing:** engagement@charlessturt.sa.gov.au
- **Calling:** 8408 1116

**Consultation closes Thursday 30 April 2026**
