LET'S TALK SEATON
PEDLAR STREET AND MORLEY ROAD

Do you live, work, visit or travel along Pedlar Street and Morley Road? We'd love to hear about your experience. Tell us how these streets work for you, what the challenges are and how we can make them better.

What we'd like to know:	
How do you use these streets?	Do you walk, cycle, drive or catch public transport? Where are you usually travelling to?
How do you feel when you use these streets?	Whether you're walking, cycling, using a mobility scooter or driving, we'd like to understand any concerns or issues you experience.
What about trees and greenery?	Is there enough shade and green space along these streets?
What works well? What needs improving?	Tell us what's working well, what isn't, and share your ideas for making these streets better.
